

EXAMINER INTERVIEW SUMMARY RECORD

The Applicants wish to thank Examiner Rapillo and her supervisor, Luke Gilligan, for their time and feedback during the interview held on July 28, 2009. Proposed amendments to claim 1 were discussed in light of the Goetzke reference. An agreement was reached that claim 1 would be allowable upon amending it to positively recite the specific predetermined categories of Table 1 of the specification and clarifying that the second score is determined by adding a plurality of numerical values which correspond to the predetermined number of occurrences of the listed health care services. The agreed upon amendment to claim 1 is being submitted with this response.
